

### The Jim Rohn Memorial Celebration

We will be paying a very special tribute to our beloved friend and mentor, Jim Rohn. Don't miss this poignant and memorable event and share the experience with thousands of Distributors from around the globe.

This event will be held on Wednesday, March 17, 2010, at 6:00 p.m. (EST) at the Hilton Orlando in Florida. [Click here for local times.](#)

This event is open to all 30th Anniversary Leadership Summit attendees. Also, Herbalife is offering two incredible suggestions as to how to participate for those who will not be present in Orlando. You can still be a part of this experience. Set up a gathering and experience this evening with your fellow Distributors and guests.

*"For things to change, you have to change. For things to get better, you have to get better."*

#### Option 1: Meeting and presentation – Suggested for large gatherings of 50+ people

- Broadcasting live from Orlando, Florida, via satellite and internet. The broadcast will be sent on a commonly used, middle of the arc, domestic Ku band satellite. (Refer to the technical specifications sheet.) It will be transmitted digitally in the clear, using an 18 MHz transponder.
- Suggested locations: cinemas, hotel ballrooms or meeting venues – anywhere that can access the satellite downlink.
- Refer to the technical specifications to work with your venue to set up the satellite feed.
- To check if your city has satellite coverage, or if your venue/meeting place has any technical questions or if you need contact information for a satellite downlink provider in your area, please contact Barbara Sipes, satellite coordinator: at [Barbara@caseyco.com](mailto:Barbara@caseyco.com) or 818-355-5747.
- *For additional technical assistance or advice, please contact Gary LeMaster, Herbalife Broadcast Network (HBN), at [garyl@herbalife.com](mailto:garyl@herbalife.com), as the dates of the event approach.*

#### Option 2: Meeting and presentation – Suggested for 1-50 people.

- Book a venue: meeting room, movie theatre, restaurant, Internet café – Anywhere you can get a high-speed Internet connection and you can hook up your computer and screens for easy viewing. See specs below for a successful internet video stream.

#### Specifications:

- Access a desktop or laptop, with the following minimum requirements:
  - Intel® Centrino® or Pentium® 4 with Windows® XP
  - Windows® Media Player® 10
  - 1GB of memory and 20GB of available HDD space
  - A projector w/ screen (max 8' x 6') or 50" monitor with a VGA/DVI cable.
- Be sure to have amplified audio speakers (to be powerful enough to meet room size and capacity of your meeting).
- Ensure you have a high-speed Internet connection with a 1,536KB download.

**Please note that Flash is not offered for these LIVE streams. MAC users must use Internet Explorer® with Windows® Media Player® 10 installed.** The trade names, trademarks or other intellectual property that may appear incidentally are the sole and exclusive property of their respective owners.
